# **POSSIBLE MOTION**

I MOVE TO approve Ordinance 2018-54 on first reading.

Lincoln Street • Sitka, Alaska 99835

# MEMORANDUM

То:	Mayor Paxton and Assembly Members Keith Brady, Municipal Administrator
From:	Melissa Haley, Controller
Date:	November 16, 2018
Subject:	FY2019 budget adjustment 2018-54

## Background:

In recent months the City and Borough of Sitka staff working in the Utility Office on the first floor of City Hall have reported multiple instances of feeling threatened by members of the public. Unfortunately, when members of the public are dissatisfied with actions taken by the Assembly and/or administration, they often take out these feelings on staff in the utility office. This, combines with the increase in workplace/public area violence across the nation, has staff very concerned for their safety. The changes being proposed are the bare minimum suggested by the police department, and include:

- 1. Closing off the open end of the utility counter
- 2. Adding security to employee door
- 3. Installation of security camera
- 4. Ensure ADA accessibility

### Fiscal Note:

Including staff time, the total cost of these upgrades will not exceed \$8,500.

### **Recommendation:**

Approve Ordinance 2018-54 to increase capital appropriations in the General Fund by a total of \$8,500
