The Honorable Zack Fields
Alaska State Capitol
Juneau, Alaska 99801

Dear Representative Fields:

In the FY22 Governor's Proposed Budget, the Department of Administration (DOA) offered a cost saving measure to transition six locations to private partnerships and close DMV offices: Delta Junction, Tok, Homer, Eagle River, Valdez, and Haines. During the budget review process, the six proposals were removed from the budget.

DOA will respect the decision the legislative body has made. DOA will not move forward with the proposals which would have closed the six DMV offices listed above.

Thank you for your time.

Respectfully,

A handwritten signature in black ink, appearing to read "AHH".
